NOTICE TO FARMERS.
THE DIRECTORS of the CHAMBER of COMMERCE, being apprehensive that the late unseasonable weather may injure a portion of the WHEAT CROP, recommend the Farmers to keep any grain which may be *damaged* SEPARATE from that which is *Sound*—as an intermixture of corn, malted or otherwise injured, would render a parcel of little or *no value*.
The DIRECTORS likewise think it right to publish the following extract from the act of the 58, G. 3. C. 82.
"If any Person or Persons in Ireland shall sell, or offer to sale, any CORN, GRAIN, MALT, MEAL, or FLOUR, which shall in the whole, *or in part* be spoiled or adulterated by wetting or mixing therewith, any Sand, Gravel, Dirt, or rotten or damaged Corn, Grain, Malt, Meal or Flour, or grown or blighted Corn or other kind of Stuff, or which shall not be in quality of equal goodness to that produced to the intended Buyer or Buyers thereof, or shall use any other fraud or deceit therein, or in order to make such Corn, Grain, Malt, Meal, or Flour, appear heavier than it would have been without such Mixture, Fraud or Deceit, every Person, being lawfully convicted of any of the said Frauds or Deceits, by the Oath of one credible Witness, before any one Justice of the Peace or Magistrate, in any City or Town Corporate, in Ireland, where such offence shall be committed, or before any two Justices of the Peace in any place in Ireland, not being a City or Town Corporate, where such offence shall be committed, for every such offence, *forfeit all* such Corn, Grain, Malt, Meal, or Flour, one-half thereof to the use of the Informer, and the other half thereof to the use of the Poor of the Parish where such offence shall have been committed, and also the sum of Forty Shillings, to be levied by distress and sale of such offender's goods; one Moiety of which said sum of Forty Shillings shall be to the Informer, and the other Moiety thereof to the use of the Poor of the Parish aforesaid."
