TWO SETS OF TEETH. Teeth play such an important part in the preservation of health and life that nature provides us with two sets. The first does not outlast childhood—the second is intended to outlast life. Man has invented a third set, the kind nobody wants. Keep your second by using a dentifrice that will cleanse the teeth and keep them free from destructive germs. Rexall Tooth Paste is a dentifrice of this kind. It is agreeable to use, and contains no harmful ingredients. Price 1s—LAIRD'S, The Rexall Shop O'Connell street.

IF YOU NEGLECT THE FIRST COUGH others will come easily throughout the winter. Rexall Cherry Bark Cough Syrup will cure any cough by removing the cause; as safe for children as adults. Price, 1s 1½d and 2s 3d—LAIRD'S, Limerick.
