DO YOUR BEST

to keep yourself fit. Give your bodily organization a fair chance to cope satisfactorily with the work it is required to perform. Many people recognize the value of a periodic cleansing of the internal organs for maintaining their health in full measure. This is no doubt an excellent plan—providing always that a suitable medicine is used. Drastic purgatives certainly should be avoided; so also should new and untried methods which frequently do more harm than good. A natural remedy—vegetable in composition and of indisputable efficacy as a mild, yet perfect aperient—is the widely known preparation, **Beecham's Pills**. There is no better medicine for purifying the system and eliminating the impurities that give rise to disease than this tried and trusted remedy—which has been used with such signal success for so many years in almost every quarter of the globe. The present is a time of urgent need. It is up to you, and indeed, everyone, to keep strong and well. You can most certainly do this in the easiest and most satisfactory way by taking
