## DO YOUR BEST

To keep yourself fit. Give your bodily organization a fair chance to cope satisfactorily with the work it is required to perform. Many people recognise the value of a periodic cleansing of the internal organs for maintaining their health in full measure. These pills are a medicine for purifying the system and eliminating the impurities that give rise to disease than this tried and trusted remedy, which has been used with such signal success for so many years in almost every quarter of the globe. The result is a more vigorous and healthy life. It is up to you, and indeed, everyone, to keep strong and well. You can most certainly do this in the easiest and most satisfactory way by taking
