The Residences are delightfully situated on the banks of the Shannon, enjoy a beautiful

divided, with shelter; they have for 40 years; they are excellent quality, healthy soil,
driving, new cowshed for dairy cows or store stock, which has been built in fine condition,
income derived from the letting of the residences reduces the rent to low figure on the
hands, which adds very materially to the value of the holding.

It may be mentioned incidentally that it is not unlikely the purchaser may get the
use of the occupation of Roselawn House, in which case the lands would become a residential
holding of a most exceptionally desirable character. The lands are most favourably circum-
