You will not pay a fancy price of course; but you will not jeopardise the success of your printed matter by accepting poor work.

The eleventh hour is not the time to select your printer. By investigating beforehand, you can obtain the best results; for you will obviate that "rush this job out" process that handicaps any printer.

If you buy printing, write to us to-day. Under one roof we have the most complete and well-organised plant in Limerick.
