**"Indispensable"**  
—a word largely used in these days—may be said to accurately express, in so far as any single word can, what the careful and considered opinion which has been arrived at by many people who use Beecham's Pills. They consider that Beecham's Pills are "indispensable" to their health, and as a matter of course, to their happiness; and they never allow themselves to be without a supply of this valuable medicine in their homes. This latter is an excellent idea, and one worthy of imitation; for there is no doubt whatever, that, as a preventive medicine—one that may be taken with confidence when perhaps only an "out of sorts" feeling is experienced and before any definite ailment has developed—Beecham's Pills are a positive boon. They do good all round;—they tone up the stomach, correct the action of the liver, regulate the bowels and are a powerful agent in purifying the blood. It is certainly a good plan never to be without

NEW CHURCH TO

LOWER GLOUCESTER STREET, DUBLIN.

A temporary pillar has been erected on the site reserved for the New Church, which is so badly needed in this locality. It is a simple structure, and the Shrine has secured a deep spirit of Devotion to Our Lady of Lourdes, with most beneficial results amongst the people. The temporary structure must be used until the funds necessary to build a permanent Church to Our Lady of Lourdes are realized. The Shrine is the most densely populated and poorest in the City, and therefore this preliminary aid can be expected from all. The Shrine is carrying out the good work. The Holy Sacrifice of the Mass will be offered each week for Subscribers. Subscriptions will be thankfully received by any of the Clergy, or by
