**"Indispensable"**  
—a word largely used in these days—may be said to accurately express a far as any single word can, what is the careful and considered opinion of a man which has been arrived at by many people who use Beecham's Pills. They consider that Beecham's Pills are "indispensable" to their health, and as a matter of course, to their happiness; and they never allow themselves to be without a supply of this valuable medicine in their homes. This latter is an excellent idea, and one of great importance for there is no doubt whatever that, as a preventive of ill-health, Beecham's Pills are a positive boon. They do not only "keep the bowels regular," but they also "keep the liver, the stomach, and the blood" in a healthy condition, and are a powerful agent in purifying the blood. It is certainly a good plan never to be without
