Department of Agriculture and TECHNICAL INSTRUCTION FOR
 Training of Women for Farm Work.
 1916 Department of Agriculture and Technical Instruction.
 Instruction has been made arrangements for a further short special course of training in farm work to be given at the Munster Dairy School, Cork, to young women who desire to take up farm work as a career. The course will be held at the school from the 1st of July to the 31st of August, 1916. The course will be sufficient to render a suitable woman useful on a farm. It will also assist in enabling those who, for any reason, may not have suitable farm labour to suit their capabilities before actually entering upon their work.
 For particulars apply to
 The Secretary, Department of Agriculture and Technical Instruction, 19, Upper Mallow Street, Dublin, (D.R. 21)

County of Limerick and Technical Instruction.
Copper Sulphate
 For the Spraying of the Potato Crop.
 In view of the increased and limited demands which are being made for Potassium Sulphate for the purpose of spraying the potato crop, the County of Limerick has decided to purchase a quantity of this material for the use of the potato growers in the county. The material will be supplied to the growers at a special price, and will be delivered to them during the coming season and not to be delivered until the material is needed for the purpose.
 For particulars apply to
 The County Committee of Agriculture and Technical Instruction, 62, O'Connell Street, Limerick. (C. 21)
