**"Indispensable"**  
 —a word largely used in these days—may be said to accurately express, in so far as any single word can, what is the careful and considered conclusion which has been arrived at by many people who use Beecham's Pills. They consider that Beecham's Pills are "indispensable" to their health, and, as a matter of course, to their happiness; and they never allow themselves to be without a supply of this valuable medicine in their homes. The latter is an excellent idea, and one worthy of imitation—for there is no liquid purgative, that, as a preventive medicine—one that may be taken with confidence when perhaps only an "out of sorts" feeling is experienced and before any definite ailment has developed—Beecham's Pills are a positive boon. They do good all round—they cleanse the stomach, correct the action of the liver, regulate the bowels and are a powerful agent in purifying the blood. It is certainly a good plan never to be without

A TEMPORARY edifice has been erected on the site reserved for the New Church, which is so badly needed in this locality. It is already overcrowded, and the Shrine has aroused a deep spirit of devotion to Our Lady of Lourdes, with most beneficial results amongst the people.

The temporary structure must serve until the funds necessary to build a permanent Church to Our Lady of Lourdes are collected. The district is the most densely populated and poorest in the city, and therefore the little pecuniary aid can be expected from it.

The Administrator strongly appeals to the generosity of the Catholic of Dublin and Ireland to assist him in carrying out the good work.

"SPILLERS"

Purity is still the chosen Flour of thousands of Irish-women.

Why? Because 'Spillers' has been famous as the 'best flour' for close on 20 years.

But it is no longer safe to ask for "the best flour" - meaning "Spillers' Purity": to get it you must say the name SPILLERS' and see that it is on the bag.

"Spillers' Purity" is the original 'best flour' and no imitation can touch it for quality.

ASK FOR SPILLERS' PURITY FLOUR

You can get it in the original bags, branded 'Spillers', packed in various sizes from half-stone to 16 stones, at any grocer's or flour dealer's.
