YOU WILL BE AT YOUR BEST

You will enjoy better health than you have known for many a long day when you get rid of the digestive disorder from which you are suffering. Perhaps you have never realized the close relationship that exists between your "touch of indigestion" and the various unpleasant sensations of which you are too frequently aware. The relationship is that of cause and effect. Headaches, depression, lack of energy and weakness are often traceable to derangement of the stomach. Perhaps you are too constipated. Begin at once to lay the foundation of good health by reserving to Beecham's Pills.

AFTER TAKING

a few doses you will begin to enjoy freedom from digestive disturbance and consequently you will soon be radiant with energy, active, cheerful, and "at your best."
