CHAIRMAN'S ADDRESS

Mr James O'Dwyer, Ballybricken, Chairman of the County Organising Committee, presided, and said:—

Mr Michael Egan this evening has held today, and I am sorry it is not more largely attended. The Association thought a good deal of the Munget branch, having regard to the fact that it was being walled for the Lyons estate in this locality. The fact was well known to all those who were present, and it was pointed out that the same as it has done to be used for other purposes, and it was pointed out that it will never do to let the organization look for a split or a fight during the progress of the work.

You can get it in the original cotton bags, branded 'Spillers', packed in various sizes from half-a-stone to 16 stones, at any grocer's or flour dealer's.
