### THE POWER OF MUSIC

Nothing is more soothing than good Music. It is now within the power of everyone to have Music in their homes. Songs sung by great Singers and less great. Orchestral Music by Ismous Bands and Orchestras, Instrumental Solos by Eminent and Popular Soloiste, and se on.

Have you ever thought about the new interest you would find in life by having a Gramaphone.

It used to be said no home was complete without a plane. Nowadays the home without a Gramaphone lacks the happiness which Music brings halts path,

Let us put the case before you. The Gramaphone is the Universal Entertainer. It produces all classes of Music the best and the worst. It eaters for all tastes. Whether you are given to " heavy " or "light." Music it makes no matter. The repertoire of the Gramaphone is inexhaustible. It is a cheap ferm of pleasure. Quite good Records can now be bought for 1/1 and 1/6 each. These Records are doublesided one Tune on each aide. A Gramaphone itself is not expensive either. We have been seiling them since they were "talking machines." To day it ranks as a Musical Instrument -and why not !

flundreds of Records are Issued every month containing all the latest hits-Musical Comedy, Revue, Ballads, Comto Songs, Waltaes, etc, etc. We send these monthly Lists to anyone interested. We would like you to think out this Gramaphone pro-

position. It is worth thinking ever. We invite you to call at our Showrooms to hear the Latest Records played on the Newest Gramaphones, or, if inconvenient, we shall be pleased to send

You can make this coming Winter the happiest you ever spent by having a Gramaphone. Don't Life will hold a new interest for you then.
