Unusual Charge Against

Newcastle West Markets

The following were the ruling prices at the Newcastle West markets on yesterday 1-Pototoes, 10d to 1s per stone ; black cats, Is 3d and white, is ad to is 6d per stone ; reed, Ha to 12s per hd ; pigs, 67s ; sows and overweight pigs 60s.

### Stone" Age in Glin

While Dr Martin, of Fort Shannon, near Gits, was from home late at night attending to a patient (writes our Gila correspondent), a big stone was thrown through a window of a bedruum in which a girl was sleeping, but who fortunately escaped. Mrs Martyn, too, was terrified, and next morning the family left and and the number of wet days was 28. This was sre now living at Tarbers, three miles away. Some people in Glin are still living in the "stone" age.

#### Al, the weekly Kilrush market held on Satur Newcastle West Fair

day potatoes were sold at 10d per scene ; egges, which were rather searce, were purchased at At the Newcastie West Fair, held on yester-In 4d per des. At the fresh butter market on day, the supply was medlum (writes our correspondent), and prices ruled as follows :-Springers from £22 to £27 10s; strippers, £10 to £18 10a; weanlings from £4 10s to £9; year and half olds, £12 to £14 ; two years old from The Shannon Cinema continues to draw £15 to £16; three years old from £20 to £24.

erowded houses nightly. Nothing is being left undone to provide the latest in pictures for its Young pigs, 11 to 12 weeks, from £1 12s 6d to £2 5s; fat sows from £18 to £21. Fat pigs patrons, and ous of the best programmes yet provided will be submitted during the coming to be stolen as the property of her son. were bought at about 67s par owt.

Tenants Writted

Mr Richard O'Grady, of Rathfreeda, New- School, breaking the meter with the boy wastle West, has (says a correspondent) served | Barrett, and stealing 11s 6d therefrom ; Dillon his tenants with write for a yeat's rent due on said that Harrett gave him 4s 10d of the A very fine programme will be submitted twice nightly at the Athanaeum Hall Picturethe 29th of tast September. The tenants are money. and have been auxious to purchase their hold John M'Gill stated that 11s 6d was taken drome pest week. The films will be varied. instructive and interesting and will give a charming blend of drama and comedy. Further their landlord quite unreasonable. They are value of 7s 0d. details will be seen in our advertising columna determined to insist on scalog feir play, and it is to be hoped an amicable arrangement will of Dillon said the boy was very good until he ba come to so that a bitter and protracted dia- got into the company of Barrett, who led him pute will be avoided.

BRANCH THE LABOUR LEAGUE PALLASGREEN MEETING OF AHANE Of Labour League BRANCH MEETING ON SUNDAY The Increase to Road Workers Appeal to Road Workers A meeting of the shown branch was held on To Keep Regular Hours

A meeting of the Pallasgreen Branch of the I L & L A was held on Sunday, and was very labourers. The Chairman, in the course of his remarks, largely attended.

Mr James Heffernan, V C, presided. Mr Michael Ryan, D C, said that following up the resolution passed at the annual meeting of the County Organising Committee prease he hoped they would be at their work in appointing Mr James O'Dwyer and hunself to go before the Finance Committee of the Limerick County Council asking them to increase the road workers' wages by 2s per week, during the week he sent the ling of the County Council have recommended resolution to the Finance Committee, and Mr an increase of 24 per week to the surfacemen O'Dwyer and himself appeared before the and labouters employed on the reads, we Finance Committee the previous day in support of the claim. He was glad to have to tell them that they were received very kindly by the committee, who unanimously recommended the County Council to grant the increase asked for, which will make the wages 16s and 15s per work. Whilst being unanimous in recommending the increase to the labourers, nome members of the Finance Commit tee drew attention to the fact that the inhourers do not go to work st the regular time in the morning, and they asked Mr O'Dwyer and himself to bring the matter before their meeting with a view to having it remedled in cuture and the internets go to work on the roads at the proper time in the morning. He (Mr Ryan) told the committee that they did not encourage this kind of thing at all, but that they were most an xious that the labourers would make direct labour such a success by close attention and regular hours that direct labour would be a creati tout to the County Council and to the laboarers. Healso told them that in Thiperary No. 2 Royal District. an far an he could see, that the men go t work at the appointed time, and that their foreman (Mr Raleigh) inslits on their dolog se-In fact he is on the roads before the men to say that they are at their work at the appointed time. In pursuance of his poundse to the Finance Committee he was taking this opport for the eventse of their despotion to Bet tunity of unging on the read workers of the whole county in their own interests to allow

gluin. At the same time I have not the is nearly transfer with reard human at no complaints be made of them, is to at 1 their work regularly in the manage that for mobility is har here some by, angen or orrection do heland. The It, as their reputation and the reputation of their Association that non direct inhom for them last stake. The better the work is done the mote credit will be given to the workers. He hoped, therefore, that in fulfilling his promise to the Finance Committee that his words would reach every road worker in the county and that they would follow up the advice he was giving them, so that no anch complaint could be made of them in any part of the county In future (hear, hear). Mr Ryan then proposed the following resoancestory a courties and inshility to follow lution, which was seconded by the Chairmon, and that a chosen I with and passed unautmously -" That we, the mem bers of the Pallasgiero Branch of the lish Land and Labour Association, desire to place on record our most slucere sources at the desch of Captain Heffernan J Considinc, Detk, who was killed during the week in action in France, WRAM OF DO BRESPASSIES DE and that we beg to tender to his brothers and sisters this expression of our most sincero Football sympathy in their great affliction. ferd on Sunday the level county tenting 16at at many a National structure? ball changlers - comonce more victors in their engagement with Fregheneigh selection. The patch was a field, might sting and exciting one. of respirer.

The reachation was montimously passed in whence so i the mosting adjourned as a mark and attracted a ho te mundler of partons, the weather being for conselv the best experienced THE POTATO SUPPLY

A Serious Shortage

APPEAL TO FARMERS In a statement to the Press, Mr T W Russell,

Vice-President of the Department, says that in many districts not more than half the poteto erep has been raised. From reports which The Sugar Distributing Commission have falled to meet the wants of local traders in prodaily reach the Department from nearly every viding even a fair proportion of the augar repart of Ircland it may be said that the crop b quired for ordinary use. Some wholesale dealers nomewhat less than two thirds normal. who furnished ten meteriminately have failed "Owing," he gees on, "to the coardiy in to supply the usual quantum provata of sugar, Great Britain and the high prices cullug, there a matter the Commission have fatied to remedy. in a dauger of export, patticularly from dis-

triefs where po atoes are not grown for this purpose. The Department will continue to get teports from their representatives throughout. Inquiries in this district do not endorse the assumption that much of the patiento orop is a the country, and to keep a curchit watch over fallure. In naturally cold wet sol's the tubers the situation. They would, however, he has done and is doing is for the best, and in still in the ground [are certainly buying a had strongly usge upon farmers not to feed to plg. poistoes enitable for human constants tion or suitable for soud, to take an easty oppur tunity of sorting their potatoes in the pitoso as to eliminate any rotting or diseased tubors, and to take special care of pointoes suitable for

aced. They are specially warned against es-
