

...they had no hopes of  
...from their country.  
The Lord Chancellor now rose, and wa  
...how to proceed, their being no ques  
...before the House; but on an intimation  
...Lord Shelburne, that he certainly  
...would withdraw his intended motion for that  
...the House adjourned.  
March 25. This day in the House of  
Commons, Mr. Dunning said, that he had  
...informed by a noble Lord in the other  
...that a new arrangement of the Mi  
...was determined on by a Great Person  
...which was such as would be pleasing  
...both to that House and the nation. He  
...then moved, that they adjourn till Wednes  
...day next.  
On the question being put, the House ad  
...journed without a division.  
Neither Lord North, nor one of the princi  
...pal gentlemen in office were present.  
The following is the new arrangement:—  
Lord Camden, President of the Council.  
Duke of Grafton, Lord Privy Seal.  
Duke of Richmond, Master General of  
...the Ordnance.  
Marquis of Rockingham, First Lord of  
...the Treasury.  
Earl of Shelburne, and Hon. C. J. Fox  
...Secretaries of State.  
Lord John Cavendish, Chancellor of the  
...Exchequer.  
Gen. Conway, Commander in Chief.  
Adm. Keppel, First Lord of the Admiralty.  
Col. Barre, Secretary at War.  
Rt. Hon. Richard Rigby, Paymaster Ge  
...neral of the army, with a salary of 4000l.  
per annum. The interest of the unapplied  
...monies to be appropriated to the public use.  
Mr. Dunning, Attorney General  
Mr. Kenyon, Solicitor General  
Mr. Burke Secretary to the Treasury  
Mr. Dunning to have the Seals, if the  
...present Lord Chancellor resigns.  
Lord Townshend, it is said, is to have the  
...Lord Lieutenancy of Ireland.  
Lord North retreats from public business  
...to the House of Peers with an Earldom in  
...his own right; his father, Earl Guildford is  
...to be created Duke of Kent, with remainder  
...to the heirs general of his body.  
It is confidently reported, that within ten  
...hours after the declaration made by Lord  
...North of his Majesty's then Ministers, a sloop  
...was dispatched with a fit and proper person  
...in America, the errand on which he is gone  
...may be easily guessed at.  
The last Lisbon mail brought dispatches  
...from Mr. Walpole, his Majesty's Ambassador  
...at Lisbon, which are said to bring her most  
...faithful Majesty's ultimatum relative to the  
...Irish trade.  
Extract of a letter from Madrid, March 14  
...“The combined army at Minorca, is to  
...reinforce the camp at St. Roche, in order to  
...carry on the siege of Gibraltar with more  
...vigour, and the Duc de Crillon is to be  
...Commander in Chief.”

**DUBLIN, March 30.**  
This day Messrs. Patrick and Co. and two  
...other capital houses in this city, received an  
...express from London, informing them of the  
...capture of the islands of St. Kitt's, Nevis  
...and Montserrat, by the French.  
**Clanricarde Infantry.**  
At a numerous meeting of that truly inde  
...pendent corps, D—D—; Esq; was expelled,  
...and that very respectable character, William  
...Burke, of Ballydugan, Esq; was appointed  
...Major in his room. At the time of expulsion,  
...the following epigram was handed about.  
When the great father of Apostates fell,  
...What crowds of angels he seduc'd to H—:  
...How much more virtue have these heroes  
...shown,  
...Who let this T— take that road alone,  
...And indeed they shewed him the road, to  
...the great satisfaction of the whole country.  
What renders this expulsion more remarkable  
...is, that the patriotic Anthony Daly was at  
...the same time appointed Major of the Eyre  
...court volunteers; a signal instance, that even  
...in this world virtue is its own reward; for  
...each imagination form to itself a greater  
...than to see an individual, by doing his duty,  
...acquire the love and approbation of a king  
...dom.

The British House of Commons have at  
...last condescended to an act of legal justice to  
...this country, by agreeing to take off the in  
...land excise upon Hops, when exported to  
...Ireland. The inhabitants of this kingdom  
...for two years past, have paid an additional  
...duty upon all hops imported, in consequence  
...of the solemn assurances of the Right Hon.  
...John Foster, that this duty should then be  
...equalized, by the excise being withdrawn in  
...England. This is only one of the many as  
...surances that have been occasionally held out  
...by the servants of administration, to lull the  
...unexpecting confidence of the independent  
...part of the Commons, to grant additional

associations, as have  
...the unanimous resolves of the House  
...teers, who met the 13th day of this month,  
...which says—“That to postpone or evade  
...such a declaration, is in effect to deny the  
...right, and that to deny the right is safely to  
...betray it.” As a true touchstone of their  
...principles.  
The Amsterdam Gazette of the 12th inst.  
...contains a translation of the address of the  
...Irish House of Commons,  
...From the great quantities of camp equi  
...page that is making for several Volunteer  
...corps in this kingdom, it is imagined that  
...Volunteer Camps will be seen the ensuing  
...summer in several parts of Ireland, as our  
...spirited independents seem desirous of being  
...disciplined for every kind of duty.  
Extract of a letter from Sligo, to Mr. Chris  
...tery, Secretary to the Hibernian Insu  
...rance Company against Fire.  
“You will please to inform the gentlemen  
...of the Hibernian Insurance Company, of  
...your city, that last Tuesday came on to be  
...tried here, the cause between them and Hen  
...ry Irwin, of Mount Irwin, in this county, dis  
...tiller, when after the most solemn investiga  
...tion of that matter, for 14 hours, before a  
...very respectable jury, a verdict was given in  
...five minutes in favour of the company, with  
...full costs of suit; it appeared to the court and  
...the jury that the demand was altogether un  
...just, and that the fire was not accidental, as  
...the furniture which was represented to have  
...been burned, was found concealed.”

Kilkenny, March 27. On Saturday last  
...one of the sentinels placed on the county  
...goal, being irritated by some abusive langu  
...age from the prisoners, fired through the grate  
...among them, whereby three were wounded.  
...He was tried by a court-martial, and senten  
...ced to receive 300 lashes for the above of  
...fence, which sentence was put into execution  
...yesterday.  
Last Tuesday a trial came on in the county  
...court-house, before the Honourable Serjeant  
...Wood and a most respectable jury, where  
...D—P—, Esq; was plaintiff, and H—  
...H—, Esq; of co. Wexford, defendant,  
...on a charge of crim. con. with the plaintiff's  
...wife; when the jury, after a trial of six  
...hours found a verdict for the plaintiff with  
...costs, damages and costs of suit.  
Wednesday our assizes ended, which proved  
...a maiden one.

**LIMERICK.**  
Saturday Colonel Abercromby's new raised  
...Corps of Irish Infantry, marched to Newcastle,  
...where they were inspected by General Gabbett,  
...who expressed his entire approbation of the mili  
...tary appearance of the Regiment, which at pre  
...sent consists of 700 men, and were entirely com  
...pleted in this kingdom.  
Saturday Night there was a most violent storm  
...of rain, which caused the river to rise higher than  
...has been known for 30 years past; it overflowed  
...the island, and the road from Quinsborough, was  
...quite impassable; a boat laden with brick coming  
...up the river, in which were 5 men, overset, one  
...of whom was drowned.  
Yesterday morning William M'Donnell, black  
...smith, was drowned at Parteen, in the humane  
...endeavour to save the life of an unfortunate  
...woman, who also perished by the uncommon  
...height of the waters, he was an honest indus  
...trious man, and has left seven small helpless  
...children, and his wife big with child, who has  
...now no prospect of support, but by the charita  
...ble contributions of the humane and benevolent  
...Contributions will be received by George Quin,  
...Walter Widenham, Michael Rochford, Esham  
...Vincent, and George Vincent, Esqs.  
Yesterday 14 cars, laden with 700 stand of  
...arms, and accoutrements for the 103d Regiment,  
...arrived from Dublin, under an escort of the 18th  
...Light Dragoons.  
This morning ten men charged with different  
...offences in the co. Clare, were transmitted to En  
...nis; they were conveyed by a Captain's guard of  
...the Loyal Limerick Volunteers, to Meelick,  
...where they were received by a detachment from  
...the County Clare Horse.  
This day the Limerick Independents paraded  
...at the Exchange, from whence they marched to  
...the Assembly Hall, where their Colonel, John  
...Prendergall, Esq; presented the Corps with a  
...new and most superb stand of Colours, after  
...which they proceeded to George's Quay, where  
...they fired three volleys with the greatest exactness.  
At a full Meeting of the **LIMERICK**  
...**INDEPENDENTS**, April 1, 1782.  
Resolved, that the Thanks of this Corps be  
...Presented to Lieut. Colonel PRENDERGAST,  
...for the elegant STAND OF COLOURS, which  
...he this Day Presented to them, and also for his  
...very Particular Attention to the Corps, since  
...his Appointment. By Order,  
...C. P. BOLTON, SECRETARY.  
Last Saturday was married at Abington church,  
...Powell Cox, of Ballycor, Esq; to Miss Sarah  
...Johnston, daughter of the late William Johnston,  
...of Flemington, Co. Cork, Esq; a young Lady  
...possessing in an eminent degree, all those virtues  
...and accomplishments that renders her at once esti  
...mable and amiable.  
Died. Last Tuesday at Tipperary, sincerely  
...regretted, Mr. James Wall, Apothecary.
