TOW in the PRESS, in One Large Volume, Octavo, the HISTORY OF LIMERICK. from the earliest Records to the Year 1786. To which will be added an Essa v on Caftle Connel.

BY J. FERRAR. The former Sketch of this History was Published in 1767, and found to be useful, the present work is greatly enlarged, it contains the transactions of above 900 years, and involves a great part of the History of Ireland. Besides two M. S. the printed Authorities are numerous, and the Editor has paid a close attention to the subject, which he hopes from the variety of matter, will be found new and interesting. The Book will be embellished with 12 elegant Maps, Plans, Views, Coins, &c. engraved by the best Masters.

The Subscribers Names, which at present are numerous and respectable, will be prefixed. Those who pay down the whole Subscription will receive their Books elegantly bound. The Impression consists of a certain number, when that is filled, no more Subscribers can be received
