

The present low price of store cattle, and the demand for them, will be a great means of putting a stop to rearing of Calves next season.

When an Accident happens to a Person who was the Support of a large Family, the Distress occasioned by it is great indeed; such is the Case of an industrious young Woman, a Mantua-maker, who was going to wait on a Lady in the Country, and broke her Leg.—Those who can feel for, and relieve the Unfortunate, will please to send their Benefactions to the Printer, who knows the Truth of the above.

The Stamp Paper has not yet arrived—the Duty on those unstamped (as usual) will be paid to the Distributer.
