At a General Meeting of the MEMBERS of the  
MERCANTILE COFFEE HOUSE.  
Alderman DAVID ROCHE, in the Chair.  
**R**ESOLVED, That no Person whatever,  
residing in the City or Liberties, or with-  
in four Miles of the City, can be admitted into  
any Part of the House, unless he is a Subscri-  
ber.  
DAVID ROCHE.  
Many of the Members of this House having  
complained of continued infringement on the  
above Rule, and of having frequently seen Gen-  
tlemen in the House whom they consider not  
entitled to Admission: the Directors have given  
strict Orders to the Mistres and Waiters, to  
give no Entertainment or Attendance to such  
Gentlemen, or to any Company they may  
be in; and, as some of these Gentlemen may  
conceive, that from their residing some part of  
the Year out of this City, they do not come  
within the above Rule, the Directors think  
themselves obliged, in this public Manner, to  
inform such Gentlemen, that in future any  
Waiter giving them Entertainment or Atten-  
dance, will be immediately discharged.
