Among other particulars which have o hand, it is mentioned, that three argoes of that material had been re-

only by the repenting, private person present, when he added, that, in confi- deration of the sincere contrition which the cul- prits manifested for the error into which they had unthinkingly and foolishly plunged them- selves, as well as of their youth and inexperience, *his Excellency the Lord Lieutenant had humanely granted them a Free Pardon.* They were immediately ordered to join their respec- tive companies, which they did with a cheerful- ness, and resolution of future implicit obedi- ence, that highly marked their sense of the magnitude of the clemency which had been thus so graciously and unexpectedly extended to them.

A Gentleman in this City, received a Letter this Morning, from a noble Peer in London, dated 23d Instant, which mentions "that an Express had just arrived from France, with an account that General La Fayette, had gone off to the Emigrants, and taken 150 Officers with him."

By the most authentic accounts from Paris, every preparation is making for the trial of their unfortunate Monarch; and no doubt is entertained that if he is found guilty of those crimes laid to his charge, but he will be instantly brought to the Block.

Thursday came on to be tried before the Hon. Mr. Justice Crookshank, at Tralee, an Action, brought by Henry Arthur Herbert, Esq; claim- ing 20,000l. damages, against George Duff, Esq; a Major in the 58th Regiment of Foot, for *crim. con.* with, and taking away his wife. The trial commenced about nine in the morning and continued till five in the evening, when the Jury, who were very respectable, retired but for a few moments, and brought a verdict— damages, 15,000l.—Counsel for the plaintiff, Curran, Egau, Franklin, Rice, Emmett, and Blennerhassett.—For the defendant, Hore, and O'Driscoll.

TO THE PUBLIC.

A NUMBER of Gentlemen observing with Concern, that many Persons apparently drowned are prematurely deprived of their Lives for want of timely and proper Assistance, and having agreed to form themselves into a Society, on the Plan of the Humane Society of London, their first Meeting was held in the Exchange on Friday the 24th Instant, the MAYOR in the Chair, when it was unanimously resolved, that a Committee should be appointed to procure a proper Apparatus from London, together with the latest Publications on the Subject, and such Directions as the Humane Society have found most effectual in similar Cases.—The Committee were also instructed to solicit Subscribers' Names, for the purpose of effecting so laud- able and necessary a purpose: They have therefore left at the Offices of Messrs. Watson, Herald, and Flin, and at the Mercantile Coffee-House, a List of those who have already subscribed.—They call upon the Humane and Charitable to give their assistance to an Undertaking whose good Effects have been amply experienced, where- ever it has been established; and conscious that its im- portance and utility need no comment, they with confi- dence leave the Success of the Attempt to its intrinsic and evident Merits and Necessity.—Such Gentlemen as wish to promote the Undertaking, are requested to meet at the Exchange on Tuesday the 4th of September next, at 12 o'Clock, when the Committee will lay before them a Plan for their Consideration.—Aug. 25, 1792.
