The Bank of Ireland, agreeable to the desire
of the Privy Council, have suspended the pay-
ment of Specie at present; but will accommodate
the Public with their usual discount, paying the
amount in Bank Notes;—a similar temporary
regulation has been adopted by the Bank of
England.

Wed. day night two men, Daniel M'Mahon,
and Maurice Woods, were apprehended, one of
whom having turned Approver, has led to a
discovery of the several Thefts lately committed
in this City, particularly the breaking open
Stables, and stealing thereout Saddles, &c.—
Robert O'Callaghan, Esq's. conduct on this oc-
casion, assisted by Richard Webb, Esq; one of the
High Constables, has been highly praise-worthy,
as some articles of Plate, which are identified,
and a number of Saddles, have been recovered
for the Owners, on their prosecuting the Delin-
quents, who, as well as their more infamous as-
sociates, the Receivers, are lodged in the City
Gaol, to abide their trials at next Assizes.

Yesterday a Man of the name of Laurence
Hannon, a Carter, who the day before had
brought in some Military Stores from Dublin to
this City, was taken up drowned near the Lock
Quay:—It appeared to the Coroner's Inquest,
that the poor Man was deranged in his mind,
and had thrown himself off Park-Bridge—Ver-
dict "Lunacy."

Wednesday next is appointed by Proclamation
for a General Fast and Humiliation, in this
Kingdom.

DIED. A few days ago, in London, the Lady
of Captain John Smyth, late of the 9th Foot,
and at present Fort Major of Carlisle.—Yester-
day evening, at his House in Bank Place, Walter
Widenham, Esq; Alderman, one of His Majesty's
Justices of the Peace for this County, and one of
the Charter Justices of this City, of which he
was Mayor in the year 1777; he was a most
active and vigilant Magistrate, and is much la-
mented by his friends and acquaintance.
