

M'Nemara, for rescuing a Man taken by one of the High Constables, to be imprisoned, the former 3, the latter one month.—Thomas Sweeny, and John Moore, for a riot and assault, to be imprisoned 6 months.

At 11 o'clock last night Died, at his house in Mary's-street, as universally as he is most deservedly lamented, John Harrison, Esq; Mayor of this City; to his Fellow-Citizens his upright character was well known, and to his particular friends his death becomes an afflicting loss—to his family an irreparable one indeed; for he was the fond Husband, and the affectionate Parent.

To the Memory of JOHN HARRISON, Esq; late Mayor of Limerick, who departed this Life April the 4th, 1797, most deeply, sincerely, and universally lamented.

" Post funera Virtus !"

'Tis not the pageant mockery of woe
That bids the sigh to heave, the tear to flow;
'Tis heart-felt grief; laments the good, the just,
The best of men now humbled with the dust;
Departed worth, how rapid was thy fall,
You're gone, obedient to your Maker's call,
You're gone, 'midst Angels, to those realms above,
To be partaker of your Maker's love.
Religion grieves, and Virtue weeping stands,
Whilst Poverty deplores, with wringing hands;
In social life, the Friend who knew you well,
Can truly say, 'twas there you did excel,
In ev'ry duty, moral and divine,
You rose superior, and in each did shine;
In public life, you trod an honest man,
Impartial justice your (acknowledg'd) plan:
While we to Virtue can our praises give,
So long your mem'ry in our hearts shall live.

DOLOR.

Dominick-street, April 5, 1797

Previous to the above lamented event, there was but one Chief Magistrate, since the year 1596, who died while in office in this City; that was Joseph Roche, Esq; who was succeeded in the Mayoralty, in the year 1740, by Alderman Thomas Vincent.

At a Meeting of the Benevolent Society, on Monday the 3d of April, Inst.

Hon. and Rev. Mau. Crobie, in the Chair.

Upon examining into the Accounts of the House, it appeared that since its foundation (being Five Weeks,) the number relieved appeared to be 2755, for the sum of 15l. os. 7½d. including fire; each Person received a Pint of Broth.
