 which might be the result of such a meeting."
 The City Corps of Yeomen were again re-
 viewed yesterday in the King's Island, by Colonel
 J. Prendergast Smyth;—the inspection of the
 Corps as mentioned in our last will take place
 to-morrow by General Duff, at Newcastle, not
 Loughmore.

At the Quarter Sessions of this City, yesterday,
 Mr. Laurence Ryan, of Cannitry, Mr. James
 Ryan, of Racefield, Mr. James O'Meara, of Bal-
 lyclogh, Mr. John Ryan, of Ahabog, and Mr.
 Thomas Ryan, of Cannitry, were sworn in High
 Constables for the Parishes of Kilmurry, and
 Derrygalvis, in the Liberties of this City.

The Parishes of St. Mary's and St. Nicholas,
 which have for two years past without a Fire-
 Engine, might have been supplied by the Judges
 50l. every Assizes during such neglect;—the
 Parishioners were so much alarmed at the fire
 which broke out in Mr. Uchank's premises last
 week, that a subscription is about to be raised
 from House to House in said Parishes, for the
 immediate purchase of an Engine, which we
 hope may be kept in better order than they have
 hitherto been in this City.

At a Meeting of the Superintending Commit-
 tee of the Benevolent Society, on Monday last,
 the Accounts of the last Month were examined
 into, when it appeared that 3,394 Persons were
 relieved with a pint of Broth or Gruel, and a
 proportionable share of Bread, for the sum of
 16l. 16s. 0d.—It is requested those Subscribers
 who have not already paid their Half Year's
 Subscription, may, without further delay, send
 it to the Rev. Thomas Shepherd, Treasurer;—
 this Committee is to meet again on Friday next,
 at eleven o'Clock, to examine the Treasurer's
 Accounts.

DIED. Last Saturday, in Dublin, Mr. Hector
 M'Kern, formerly of this City, Linen Draper.
 —Sunday, after a few hours illness, Arthur
 Campion, Esq; M. D. a Gentleman deservedly
 lamented by a numerous acquaintance.

Average Price of GRAIN in Limerick,
 For six days preceding Saturday 29th ult.
 Wheat, per Barrel, (30 stone,) 1l. 0s. 8½d.
 Oats, per Barrel, (14 stone,) - 6s. 6½d.
