

Young, who arrived yesterday at the  
from the Mediterranean, is supposed  
ought nothing but Lord Keith's dis-  
ecting the events of which the Pub-  
informed by the letter of General

rris, late of the Hanibal, and who  
onourably acquitted for the loss of  
appointed to his Majesty's ship the  
of 74 Guns.

Salgo Spanish ship, of 600 tons, from  
Cadiz, is captured by the Dominica  
epid, and Alfred of Liverpool, and  
Barbadoes.

op, of 18 Guns, has had the credit  
Spanish 44 gun frigate and making  
merchant vessel the Aurora, which  
e would have captured.

ch papers state that the English have  
de two attempts to carry off or to  
annibal, which was left at Algéziras,  
ve been repulsed with loss.

temic of the season at present is a  
aint, which should be attended to in  
many cases it has proved fatal. A  
tincture of rhubarb, taken at the  
ent of the attack, to be followed by  
ions of water gruel, will effectually  
restore the patient. Medicines com-  
ce, and all sorts of ardent spirits,  
arefully avoided, nor should leuda-  
d, except in extreme cases, or with  
of the physician.

a Company are going to erect tem-  
racks, some distance from London,  
Chinese, Malay sailors, and Lascars,  
n each other, and to be superintended  
who understand their respective lan-  
e letter from India says—"The banks  
er Naaf, where the emigrants from  
ve settled, have been found highly  
to the growth of flax and hemp.  
of Trade has for some time been em-  
arrangements for the extensive culti-  
these essential articles. The Board of  
Bengal has also ordered all opium  
s not reach the standard price to be  
The growth of the poppy in the  
e district has been prohibited for a  
od."

ay morning John Pearce was executed  
the Puissant, at Spithead, pursuant to  
ce, for being particularly active in  
the murder of the officers of the  
and carrying her into La Guira.—  
ed with great penitence and resignation.  
r from Bengal says—"The method  
y the rentery in Rurrupoor, subject  
hrattas for collecting the Revenue from  
ery, consists in taxing the ploughs and  
s of Agriculture, and is always paid

Yesterday, 28 cowards arrived in this city  
from Trim, under the care of transportation, and  
lodged in the New Prison; they were escorted  
by a party of the Argyll Fencibles.
