DUBLIN. JANUARY 27.

Tuesday last, as which a Proclemation red to be issued, to take off the restrictuarantine from vessels coming from the of Pennsylvania and Maryland, the epi-

dreadful tempest on Tacilly night, a k on the bar of Dublin, and, at some within it, miserably hundered, giving a some to every living creature on board.

morning the body of the mafter flasted ite bank within, and to the fouth-west ht; by his pocket-book, in which there it guiness, the vessel appears to have Speculation of Liverpool, bound to St.

one of the Azorea. The boat with in her, but no performen board, was near the Salt-house at Ruglend.

cheen, of Maryport, Juliation, maker, h coals, &c. was put affects on the Pathe Light-house, in a fewere gale of the night of the 24th infl. and is ex-

go to pieces.

ip Wilmington failed on Sendry last ass, for New York and Philidelphia, ards of 1700 pieces of linen on board, and is at present to what it had been some time since, we find that the definite spirite for London and lone other is fill equal to the per gallou in the is an advance in price per gallou in the of the rise of barley and male; and it there is also some demand for sight of the parts of the western coast of

he West Indies.
