n, Feb. 19.—We can now mention posi-  
the incorporation of the Westphalian  
Nether Saxon Circle is absolutely rejected,  
shortly a plan of a new organization of the  
Circles of Germany, the number of which is  
ought to eight, will be laid before the Diet.  
resolved, that the Duke of Wirtemberg  
Margrave of Baden shall alone be charged  
government of the Suabian Circle. The  
will be limited which in future shall be re-  
by the meetings of the Circles, and thus  
any disputes which would doubtless arise in  
this measure was not adopted.

A detachment from the corps of Royal  
having under their charge 300 convicts,  
to proceed in his Majesty's ship Calcutta,  
settlement at Port Philip, which is situa-  
the northern side of Bass Strait, on the  
part of New Holland. They are com-  
y Lieut. Col. Collins, who is appointed  
governor of New South Wales.

It accounts from Barbadoes inform us,  
the 25th of December, a mutiny broke out  
his Majesty's ship Excellent, off this  
which, however, was soon suppressed, by  
leaders being taken into custody. Four  
have been tried and executed, and the  
has been broke for neglect of duty.—  
of the Mutineers was to bring the ship  
England. The utmost order, we are  
availed when the accounts came away.  
ing to letters from Tennessee, the con-  
the Spanish government, in shutting up the  
New Orleans, must make the merchants of  
of the country bankrupts, and the farmers  
ing for their crops. Although threatened  
heaviest losses by this violation of treaty,  
seemed disposed to remain quiet until  
what the government of the United States  
And should government not resolve to  
tly and decisively, the people are deter-  
arm themselves, to descend the river in  
s, and to force all opposition. In this  
ere will be an union of the people of  
the north western and Mississippi terri-  
is hoped the States will immediately de-  
against Spain: if they do not, they will  
have an intestine commotion.
