Lord Viscount Nelson, K. B.
from Capt. Page, of his Majesty's
sloop to Sir Evan Nepean, Bart. dated
the 2d, 1803.
To inform my Lords Commissioners
of the Admiralty, that we this day fell in with and
engaged, for England, the Dutch States
sloop, Capt. Lieut. J. Yforands, Com-
mander, with 33 men, from the Cape
of Good Hope, thirty hours, with dispatches for
the Admiralty, which he threw overboard, having obliged
him to leave before he would let our boats on
board, and to leave them at the Cape.
B. W. PAGE.

Evening-street, Nov. 12.
I have been pleased to appoint the Hon.
Robert Corbet to be his Majesty's Envoy Extraordinary
to the Court of Stockholm.

MONDAY, NOVEMBER 13.

It does not add materially to the infor-
mation we were possessed, on the subject
of the late unfavourable weather has
been observed on the enemy's coast.—
Privateers have been driven from their
stations, and wait a change of wind to resume
operations. The prospect of another attack on Boulogne
by the enemy have, however, completed
the measures which give increased security to the

The French tents above Boulogne
were blown down during the last gales.

The presence of so large a force as is now
stationed on the French and Flemish coasts, is at-
tributed to the expense which the resources of the
country can sustain. All the neighbouring
ports have been drained of provisions, and the
people are now for the greater part,
starving in the interior.

A vessel, arrived in the river from Am-
sterdam, that the trade of that city, and
which had become nearly suspended, in
consequence of the blockade by the English, and
the want of the necessary and lawless interference of the
French, every object of domestic economy
is in a political relation. French Custom-
house Officers have been appointed at every port to
inspect the Officers, and to enforce the
prohibition of the importation of British ma-
nufactures, and preparations in Holland for the

LIMERICK, NOVEMBER 19.

The Review of the Troops of this Garrison, on
Wednesday last, was exactly similar to those which
weekly take place in this neighbourhood; but we
hear with peculiar pleasure, that the Right Hon.
Commander of his Majesty's Forces, who, on that
day was Reviewing General, assured the Exercising
Officer, Captain Commandant Vincent, that for
the number of Yeomen who appeared then in the
Field, they were the finest Body he had seen since
his arrival in Ireland; and with whole manoeuvres,
drills, and marching, he was perfectly pleased.

Thursday the Right Hon. Lord Cathcart, and
Suite, set out for the County Kerry, from whence
he will proceed to Cork.

Thursday the body of Mich. Glyn, Oysterman,
from Tubber, in the County Galway, was taken up
drowned near the New Bridge;—the unfortunate
man is supposed to have fallen into the River the
preceding evening, when he was seen very much
intoxicated.

This morning the Right Worshipful Arthur
Vincent, Esq; Mayor, seized several quarters of
mutton, from Butchers who killed in the market,
and from others, for selling at the corners of streets;
he also seized a quantity of shoes and other articles
from different people, who obstructed the entrance
of streets, particularly that from the Kilstowna to
the Square.

John O'Callaghan, gent. son of Robert O'Cal-
laghan, of this city, Esq; Attorney, was on Mon-
day last admitted and sworn an Attorney of his
Majesty's Court of Common Pleas, in Ireland;
and also admitted a Member of the Hon. Society
of King's Inns.

The Zephyr, Glanville, for this Port, passed by
Gravesend the 10th instant.

the Lady of Francis Wheeler, Esq; of a Son
and a Girl.

MARRIED.—Last Sunday, at Mynoc, County
Clare, the Rev. Henry Allen, of Killaloe, to the
agreeable Miss Phoebe Hastings, second daughter
to George Hastings, of said Town, Esq.

DIED.—Suddenly on Tuesday last, at Castle
Levers, Thomas Robert Ievers, Esq; Attorney.
