Archdeacon Hill and Mr. Hoare are satisfied,
 that the man *was in error* when he imputed his
 Distresses to the failure of any one belonging to this
 town; as they also are that those Distresses are of
 the nature already set forth, and such as render
 the Advertiser and his family in urgent need of
 assistance, to rescue them from the extremity of
 want.—Benefactions to the amount of Three
 Guineas have been received by the Printers hereof.

There being Two Vacancies now in the Prote-
 stant Female Orphan School, the Treasurer will

 meet on the 30th April, to fill up those Vacancies.

W. D. HOARE, Treasurer.
