

of the unpleasant intelligence lately at quarter.

are the Regiments which are secret Expedition, as it has been is generally believed, to be Mediterranean:—Four troops of the Regiments, under the command of Colonel Taylor; the 39th, 44th, 48th, Regiments of Infantry, from England, and another regiment of Ireland; several companies of Artillery, Ordnance, &c. General Sir is to be Commander in Chief. Under John Stuart, and two Brigadiers, Brigadier-General Campbell, Adjutant-General, Expedition; and Colonel Bunbury, General. That the Mediterranean soon the scene of some enterprize, dependent from the quantity of stores accumulated; and there, it is probable, the first will first be employed.

measures made use of last night by Mr. Fox and the House of Commons, seem to hold out that we shall soon have the co-operation of the Continental Powers.

It is expected that more Russian troops, according to the Hamburg Mails, which are daily expected at Corfu. Received Paris Journals to the 17th, and the 20th inst.

It contains the plan of the new Constitution to Holland by Bonaparte. It is of the utmost importance by what name or name Holland may be ruled, while a monarch rules every measure that is adopted. The Executive Body is to be new-modelled, and the name of "Their High Mightinesses" retained; and the Executive Power is to be in the hands of the Pensionary, who is to act as a kind of a Vice-Roy to Bonaparte.
