The Public are greatly indebted to the Right  
Worshipful Robert Briscoe, Esq; Mayor, for his  
indefatigable attention in removing every nuisance  
within his jurisdiction—the example made by him  
on Thursday, in ordering two notorious Prostitutes  
and Pick Pockets, to be shaved, and carted thro'  
the City, it is hoped will cause many of their asso-  
ciates to desert this City, or betake themselves to  
honest industry.

Reports have been in circulation for some days,  
that three Vessels which lately sailed from this  
Port for England, were captured off Cape Clear;  
we believe the account has originated in some mis-  
take, as Letters last Post from London, advise the  
safe arrival there of one of the Ships.

The Jane, Gillis, from London, bound to this  
port laden with, sugar, tea, &c. was captured on  
the 1st ult. by the Prosper privateer of Boulogne,  
and carried into Calais.
