Nothing perhaps contributes more to increase any malady to which the human body is subject, than making the mind partake of our sufferings. Let those, therefore, who have bewildered themselves in an endless variety of opinions, and been driven to a state little short of despair, by a perusal of Medical Books,—read *one and only one more*—“The Guide to Health,” by Dr. Solomon, of Liverpool,—in which they will find a clew to the mazes of their former researches, and a certain panacea for all their bodily and mental anguish.—*Reviewer*.

Recipe for Curing Butter.—Take one half ounce of common salt, one fourth ounce of moist sugar; pound them together, and use them in the proportion of one ounce to the pound of butter. On trial it will be found that butter thus prepared will keep any length of time; and have a much finer flavour than butter salted in the usual manner.
