Through the vigilance of our active Chief Magistrate, John Crips, Esq., a woman named Honora King, who had been a servant at Collector Fitz-Gibbon's, was yesterday apprehended, and by diligent search, he discovered at her apartments, various articles of apparel she had stolen—the property of many of them is proved, informations are lodged, and she is committed to prison.

A Grand Orator is this day performing in the Cathedral of this City, for the benefit of the Fever Hospital; it is expected the Collection will be very considerable—the arrangements have been made with much judgment, and the admirers of Sacred Music will be highly gratified, besides contributing to a most useful Charity.
