Limerick, Mar

At a Meeting of the GOVERNORS of the HOUSE OF INDUSTRY, March 23d, 18

The Right Worshipful JOHN CRIPS,

RESOLVED, That our warmest Thanks be tendered to the Rev. RICHARD DICKSON, for his able and successful Appeal made by his Sermon, in behalf of this Charity, which has been partially benefited by the Collection that follows to upwards of 1200.

That the Gentlemen who acted as Collectors be requested to accept our grateful acknowledgements and assistance on this occasion.

That we look forward with confidence to the other Churches of the Diocese, on Sunday the 1st of April, and trust, that by the Collections to be made on that day, we shall be enabled, not only to maintain our House, but also to admit others, whom the Funds has hitherto rendered it impossible to put to labour those Mendicants who now beg in the Streets.

J. CRIPS, Mayor

THE GOVERNORS OF THE FEVER HOSPITAL

FEEL considerable satisfaction in being able to inform the Public, the beneficial result of the late Collection, in the Cathedral, for the Charity.—The amount of the Sum produced has not yet been able exactly to state the present state, that the receipts exceed the expences, owing to the liberality of the profession, who gave their services without any charge, the expences to be deducted will be very small, not more than about 30 Guineas.—Thanks in particular to Messrs. Logier, W. and R. Miller, they beg leave to re- thank: as also to Messrs. J. and T. P.
