...and Shelburne, Viscount Calne, and Baron Wycombe.
The late Marquis was for many months in a declining
state of health. In the autumn of the present year, by
the advice of his medical attendants, he was preparing
to embark for Lisbon, to try the effect of the tempera-
ture of the atmosphere of that country. Previously to
his intended departure he visited his favorite Castle at
Southampton, and finding himself daily getting better,
he abandoned his intention of going to Portugal.

It is said, the Duke of Richmond is about to make
another Tour to the South West part of Ireland. In
this excursion his Grace is expected to visit the new
Bishop of Ferns, on the Banks of the Slaney.

Saturday night, at nine o'clock, Michael Ryan, of
Routa, returning from this City, was attacked at the
Bridge of Ballincurra, by six fellows well armed, who
robbed him of 12½ Guineas.

The extraordinary exertions of our present worthy
Chief Magistrate, is become the theme of every Citizen;
—he is to be seen in the Streets and Highways detecting
Regrators and Foretellers, before the Labourer rises
from his bed, and his vigilance has made groupes of vil-
lians who hottened on the Poo. Man's earnings, betake
to other callings not so dangerous to Society—and while
he bestows the fines inflicted on offenders, in relieving
real objects, he has exerted his authority in either driv-
ing hence the sturdy Vagrant, or sending to the House
of Industry those disgusting Mendicants, who have so
long disgraced every public avenue to or in this City.

Yesterday, the Right Worshipful Francis Lloyd, Esq.
Mayor, sent to the House of Industry, six Tankards of
fraudulent Milk, and a quantity of Potatoes, seized by
him from a Foreteller.

This morning the Treasurer of the House of Industry
received from the Right Worshipful Francis Lloyd, Esq.
Mayor, a fine of 11. inflicted by him on a countryman,
who yesterday rode violently through the streets, and
overturned a man & woman, who narrowly escaped with
life.—The Mayor has also laid out 50. (fines inflicted
on carmen using fraudulent turf kishes,) in purchasing
cloaths for the unfortunate Lunatics in that Asylum.

The Sarah of Maryport, Murthesod, from this
port, with Ordnance Stores, arrived in Cork on Sa-
turday last.

The Resolute gun brig, Lieut. Harris, sailed from
Cork, for Plymouth, on Saturday last.
