

## D. MAHONY PROPRIETORS.

ect of a letter received this instant on shore.—  
alled at Gibraltar on the 24th for the Governor's  
es, and the 26th left Cadiz with Gen. Stewart:  
tivity and bustle at these places; at the former,  
g—and at the latter, defending an attack. But  
any material operations can be begun against  
the French have to rebuild the batteries directed  
them, our troops and seamen having blown them  
n hearing of their approach. We have five sail  
ne at Cadiz, and some frigates. All the Spaniards  
ved from the inner harbour and Caraccas down  
of the town, and a strong fortification down  
the isthmus; but this only a dernier resort, before  
n itself may be attacked; for our troops are in  
ion of the whole island of Leon, every inch of  
is to be defended to the very last."
