

h. Darling, John Orr, J. Hone, Alex. Shaw, Esq. receive the applications, and look into the securities such persons in trade as are possessed of funds ultimately more than sufficient to answer all demands upon them, but who have not the means of converting those funds into money or negotiable securities in time to meet the pressure of the moment; and the Governors and Directors of the Bank of Ireland having agreed to advance to those Gentlemen sums, not exceeding in the whole £200,000, to enable them to give relief to Manufacturers so situated, conformably to the recommendation made to his Grace the Lord Lieutenant by the Lords of his Majesty's Privy Council: Persons desiring to avail themselves of such aid, may make their application to the Gentlemen above-named accordingly.

A Council is to be held at the Castle on Saturday, to consider the deplorable situation of the starving manufacturers of the Liberty into further consideration.

His Grace, the Duke of Richmond is gone on a visit to the Earl of Charleville, at Charleville Forest.

Her Grace the Duchess of Richmond is expected to arrive on Saturday, from England.

At Sir James Riddall's official dinner on Tuesday, Mr. Hutton rose, and after a few observations, said, that it was strange the Irish Budget was ever suffered to pass the House of Commons. He concluded with giving notice that on Friday the 20th, he would submit to the House of the loyal and temperate, a notice for the repeal of the Union, an investigation into the conduct of the Irish Members.

At an Examination lately held in our University, the premiums bestowed by his Grace the Lord Archbishop of Armagh, Lord Primate of Ireland, for promoting the study of the Hebrew Language, were adjudged to the undernamed students, Bachelors of Arts:—Hudson, Richmond, Sankey and Frazer.

Saturday last, Francis Featherston, Esq. of Clareeet, suddenly expired in a carriage, on his way from College-green to Gardiner's-row.—He left his own house for breakfast that day, to appearance in perfect health.

## Limerick, July 14.

Altho' Penalties for unlawful Distillation are necessary to be enforced, yet the Fines laid on by the late Acts of Parliament on particular Parishes or Townlands, were in many instances found so oppressive, and productive of such fraud, that it was deemed necessary for the Legislature to introduce a clause into the Act of the 30th of the King, Chap. 15, to the following effect:—"Be it enacted, that until the commencement of the Summer Assizes which shall be in the year 1812, it shall not be lawful for the Court or Judge at the Assizes for any County, or County of a City or Town in Ireland, or at any presenting Term in the County or County of the City of Dublin, to fine any Parish, Townland, Manor or Lordship, in any sum of money or penalty, on any information which shall be given to any Justice of the Peace at any time after the passing of this Act, for any offence against any Act in force in Ireland, for the regulating and collecting the duties on Spirits, for the having, keeping, or using any unlicensed still or part of a still, or any appendage to a still, or any worm, or any utensil for distilling Spirits, or any wash, pot, or low wines, or singlings, contrary to Law, any thing in an Act made in the 47th year of his present Majesty's reign, intituled, *An Act to amend an Act made in the 5th Year of his present Majesty, for the regulating and securing the collection of the Duties on Spirits distilled in Ireland, or in any other Act or Acts in force in Ireland to the contrary notwithstanding.*"
