

country. The sentiments of that upright constitutional Judge, Mr. Justice Day, on pronouncing the sentence of the Court, do him great credit. The return of the Earl and Countess of Ormonde to their Castle on Thursday last, produced in that city a display of popular sentiment, and scenes of festive rejoicing to an extent never before witnessed there, and which must have been as gratifying to their feelings, as they are honorable to the motives of those from whom they proceeded.

There was a report in London, on Wednesday, that a West India ship had been captured by a squadron of American frigates.

June 23.—Last Thursday being the 24th of the annual Meeting of the Burgesses took place at Court House, when Donatus O'Brien, of Cratich, was appointed Provost for the ensuing year.

On Friday evening, John James Fitzgerald, Esq. our Provost, committed to Jail, two men of the name of Kelly, for picking pockets at the race course: the value amounting to 15 guineas was found in their possession.

The fair of Spencilhill on Thursday, cattle of all descriptions went high.
