

**VICTORY IN AMERICA.**

to what is inserted in our foregoing subject, we have been favored by a Liverpool Advertiser of last Saturday which contain in the Second and Third Editions important gratifying intelligence.

**DEFIANCE OF THE LIVERPOOL ADVERTISER.**

*of the Americans at Fort George.*  
 and Jane, which arrived here this morning, which she left on the 26th June, we the following intelligence respecting an American on Fort George :

May, the American army, in great force, Fort George, which they carried at an immense accounts say 4000 men. The British General Vincent, retreated a few miles in and made a stand.

June, they made an attack on the American them in all quarters. The marines under

and were the American force which entered; and on the 7th June, there were only left of them.

General's are amongst the prisoners.

**THIRD EDITION.**

of the above, we have received the details of the 6th inst. and also Sir G. Prevost's account in consequence of the victory. Account received from Kingston to the 15th after the great battle, from which it appears the American force on the 8th was supposed to 4 or 5000 men. They were, however, in a distressed situation, reduced by sickness and hourly expecting another attack. Sir the Lake, had destroyed 17 of their provisions and supplies. A general the English and American squadrons was expected. The whole British force estimated 710 men.
