At a Meeting

have been informed by no mean authority, that is the greatest chance of an unexceptionable Emanon Bill being carried after the recess, under the es of a leading Minister of the Crown. Indeed been stated to us, that this Minister himself is to uce it in the House of Commons - Freeman's J. eport has been set on foot, that a Member of the try is to bring into Parilament an Emancipation

vithout securities. There is no authority for this ir-the design of it is obvious - Correspondent. e Corporation of Drogheda have unanimously to Address the Right Hon. Charles Abbott, ter, for his Speech in the Commons at the close of

st Sessions, relative to the Roman Catholic Bill. e Duke of Richmond, our late most excellent Lord enant, is at present on a visit with the Prince nt at Carlton House.
