COUNTY LIMERICK MEETING.

This Meeting on Tuesday, convened by requisition to the High Sheriff, for the purpose of taking the present distressed state of the County into consideration, was respectably attended, at the Court House, John Lowe, Esq. High Sheriff, being called to the Chair, and having stated the object of the Meeting.

Edward Croker, Esq. rose, and in a concise manner dwelt at considerable length upon the distresses of the country, and adverted to the outrages committed in various parts of it, and concluded by proposing that a Committee should be appointed to devise resolutions for the meeting to act on. The following being nominated—Right Hon. Lord Viscount Gort, David Roche, Edward Croker, Bolton Waller, Joseph Gubbins, Kilfrush, Esqrs. and Rev. Archdeacon Maunsell; they retired, and after some deliberation returned with the following, which being read and put from the Chair, were unanimously adopted:—

RESOLVED—That we have viewed with considerable regret the very great distress that exists amongst the lower orders of the people of this County, and feel ourselves called upon to make every exertion to alleviate it; but we lament that a spirit of lawlessness and insubordination, existing in several parts of the Country, has materially injured the markets, and if not speedily repressed must counteract every measure we can devise to procure food for the poor.

That in order to effect this, we think it advisable that an application should be made to government to place a portion of the Yeomanry on permanent duty, in aid of the civil power.

That for the purpose of availing ourselves of the pecuniary assistance which his Excellency the Lord Lieutenant has been graciously pleased to offer, in Mr. Gregory's communication to the High Sheriff, it is expedient that an immediate return be made, by such Districts as have already subscribed for the relief of the poor, of the amount of the sums subscribed & actually paid to the receiver of such district, for the purpose of transmitting the amount to Government; and that such districts as are now disposed to subscribe, be earnestly desired to proceed to collect the money immediately, and make a return of the amount paid in.

That we forbear from stating our opinions as to the particular manner in which the different districts should collect the subscriptions, under the impression that each of them will adopt the most effectual method which local circumstances may point out; but we recommend that the known divisions of the County, by Parishes, be adopted, as nearly as possible, for the divisions into districts for collecting subscriptions.

That the following Gentlemen be requested to act in furtherance of these resolutions in their respective Baronies, and that they be desired to call Meetings of their Baronies, at the earliest day, and to divide them as recommended.

Upper Connelloe—Colonel Odell, Rev. J. Graves, Michael Scanlan, and Edward Catto.

Lower Connelloe—Geo. Leake, S. E. Rice, Rev. Edward Jefferies, John Hewson, John Massy and J. S. Brown.

A PROCLAMATION.

WHITWORTH.

WHEREAS by an Act of Parliament passed in the fifty-fourth year of His present Majesty, entitled "an act to provide for the better execution of the laws in Ireland, by appointing superintending magistrates and additional constables in counties in certain cases," it is, amongst other things, enacted that it shall be lawful for the Lord Lieutenant, or other chief governor or governors of Ireland, for the time being, by the advice of the privy council of Ireland, to declare by proclamation that any county, county of a city, or county of a town in Ireland, or any barony or baronies, or any half barony or half baronies in any county at large, to be therein specified, is or are in a state of disturbance, and requires or require an extraordinary establishment of police.

And whereas it has sufficiently appeared to us, that the barony of Navan, or as the same is known and denominated by the names of the baronies of Upper and Lower Navan, or by whatever other denomination the same may be known or called; the barony of Skryne, alias Skrean, and the barony of Morgallion, in the county of Meath, are in a state of disturbance, and require an extraordinary establishment of
