**NORWICH UNION**

ESTABLISHED 1797.

A Saving of One Half the Premium by Insuring at this Office.

THIS Office has been called upon, and now submits an Abstract of the Net Receipts and Losses for the last Seven Years, taken from the Annual Report of the Society, held 16th June, 1817:—

Net Premium Received.			Losses.		
£	s.	d.	£	s.	d.

1816	55,166	3 0	10,499	0	0

is not this the best proof that the Insurance Companies make enormous profits at the expence of the public, and the real cause of their extreme envy and jealousy—it is natural that they should be very angry with the NORWICH UNION and EQUITABLE SYSTEM, which deprives them of so much profit, and enables the public to effect Insurances at the NORWICH UNION for One Half the Premium they pay the Companies.
