CORK MARKETS.

We have little variation to offer since Friday's quotations, the quantity of oats in market on Saturday, was considerable, and caused a depression, the future rate of grain depends so much on the opening or shutting the ports, that the issue is looked for with much anxiety; the last advices from London would lead to an opinion favourable to the ports being shut, but the exigencies and necessities of this period, and the rapid advance in the value of grain, will have material weight with the government, previously to giving sanction to this measure of importance.

Wheat 40s. to 45s. - Barley, Making 50s, -- Oats 38s. Beef, Posk, and butter, at our last prices.
