

match No. 3, under the
 Agricultural Society, was
 his City, on Thursday last:
 favourable, the interest excited
 acted a considerable number
 ploughs started by signal,
 smooth and beautiful sod; and
 variety of the work, to what we
 similar occasions, was con-
 siderable. The emulation that pre-
 vailed, particularly for the
 superior to any thing before
 great improvement in this im-
 dustry was such as to afford the
 friends of agriculture.

drawn lots for places, were
