

... was returning home with his ser-
 ved a car in which Mrs. Young sat, and
 were several articles purchased at market
 going the hill at Newcastle, Mrs. Young
 three men standing near a gateway, who
 rather suspicious, and immediately con-
 her shoes what money she had. The
 antly stopped the horse, and commenced
 their pockets from which they took some
 thirty shilling note which Mrs. Young
 ealed, a bottle of spirits and some provisi-
 which they walked off. On Mr. Young's
 the neighbourhood, the Mr. Ingram's
 rry, with their usual exertions, pursued
 and shortly came up with one of them,
 ars to be the noted Henry Sage of jail
 Some of the stolen property was found
 he has been fully identified, and it is to be
 at he will not be as successful in escaping
 ishment for this offence as he has been in
 others, for which his name occupies the
 our Criminal Records. Sage and his
 o are well known), have been concerned
 all the robberies and killing of sheep by
 his neighbourhood, and has given some
 formation which will entirely rid the coun-
 se villians.

... the Mr. Ingram's came up with Sage
 in the act of driving some sheep, which it
 ed were stolen by the gang, previous to
 ung's robbery—the sheep belonged to
 eagh, Esq. and the ruffians killed one, part
 carcass of which was found in a field next

... named Jeremiah Coreoran, stated to be
 in City, was arrested in Ennison Thursday,
 ion of having picked a Gentleman's pocket
 large sum, at the fair of Spencil-hill—he
 company with another man of bad charac-
 there were some bank notes found with

... General Quarter Sessions of the Peace for
 nty of Clare, will be held at Kilrush, in
 the division of Kilrush, on Monday the
 d at Ennis, in and for the division of Ennis,
 day the 12th day of October next.

... Quarter Sessions for the County Limerick,
 held at Rathkeale, on Monday, the 5th of
 r, and at Limerick, on Monday, the 12th.
 advertisement.)

... Rathkeale Fair, on Thursday last, was the
 attended of any held there for a long time
 and very few sales were made—the few
 wever, which sold, brought good prices.
 fair of Rathkeale yesterday was but thinly
 d; there was a demand for milch cows, fat
 and sheep, and the prices asked were ex-
 ant—there were a great number purchased.
 ew of horses was but very scanty.

... Insolvent's Court, London, on Friday,
 n Hall was remanded back to prison, for
 ering upon attornies the money with which
 ld have paid a just debt (he had expended
 resisting the payment of £13 10s.) and for
 ent transfer of his property.

... the Hillsborough Sessions, two Toll men
 onvicted on the prosecution of Mr. Clib-
 or tendering oaths at a Fair, which has
 n illegal custom practised throughout this

**To MILLWRIGHTS, BOAT-BUILDERS
 AND OTHERS.**

**RYKES AND B
 FIRE-PROOF POWD
 With Improved Graduating C
 9000 Charger Shot H
 SECRET SPRING POCKET**

THE Superiority of RYKES'S FI
 FLASK to any other Powder in
 it only requires comparison to be known
 This Flask does not occupy more than
 common Spring Top Powder Flask, in
 the same manner, and possesses the
 of not being ignited with the least
 Flask, if the Powder in the Charge
 take fire in loading the Gun, the
 securely and effectually cut off—by t
 rates the Powder in the Charger fro
 moving between two solid plates wh
 surface—that there is no possibility
 the Powder in the body of the Flas
 Powder can possibly explode than the
 trained in the Charger. This Flask a
 liar and very material advantage of
 the pocket, or in using.

The Improved Graduating Charger
 more or less with very little trouble,
 be unintentionally altered, as those w
 made.

The SELF-FILLING STOP CH
 enables a Sportsman to load three tin
 once with the Spring Charger Shot I
 and possesses the very important
 a single Shot in taking out the C
 other trouble than taking out this Ch
 Belt is closed by a self-acting spring,
 can be lost when the Charger is
 and by the simple operation of retur
 the Belt, the mouth is again opened
 the Charger and instantly fills it read
 is taken from the Belt by pressing up
 in the same manner as the Spring Sh
 general use.

N. B.—This Shot Belt should
 Charger hanging downwards.

The SECRET SPRING POCKE
 being made with the Spring in the
 exposed on the outside of the Char
 article in appearance, and the Spring
 from being corroded by rust.

Sold by appointment of the
