

Guineas were paid on the Church Wardens in Dublin, amount of a bequest by the Charity Schools of the City.

Deers at Kilkenny, concluded a Saturday—on Monday a by Major Bryan to all the city.

arrived in this City on his, Sir William Stanger Barr. in the County of Clare and is much recovered.

Company of the Apothecaries resolved to apply to Parliament in the Act of 1791, for the establishment of an Apothecary through notice, that they will hold their Hall, Dublin, on the 12 o'clock precisely, where an Apothecary is invited to give all interested in promoting the profession, and the health of the people their opinion upon the

of a female infant was found in the suburbs of Rathkeale, poor babe was strangled, and the body by Edward Carte, Esq. Magistrates, when a verdict of wilful murder, not yet apprehended.

day received £1 for the distressed Dublin on London, 8 1/2. Gov. Deb. 3 1/2 per ct. 86 1/2. Rent. 8 1/2. Gov. Deb. 5 per ct. 105 1/2. Grand Rent. Bank Stock 249.

to find the Limerick Mercantile Exchange, have elected a meeting the Establishment, and names of this respectable committee such a society should be of amusement for the winter. We observed that the part of this Society was torn by some nefarious villain, who tore the part scribbled on names out of the book, by this to counteract this valuable and the subscribers are against the subscription book.

gentlemen compose the Committee for the year, commencing 1st Nov. in Harrison, Francis Arthur, Glover, G. Levers, J. A. Wagner, Captain Roche, J. J. Lane, and John Creagh.

minutely given to Mr. Russell, for his very proper and dignified conduct in the chair.

In the Fever Hospitals this day, 210.—The Treasurer has received from Thomas Crowe, Esq. £2 10s. a fine levied for cutting timber on Lord Egremont's estate.

The Stewards of the Limerick Races have generously handed the sum of Thirty Pounds to D. F. G. Mahony, Esq. for the benefit of the Fever Hospital.

Monday morning, the ship Union, of this port, William Stewart, master, arrived in this river, from Quebec, after a passage of 14 days—this is the quickest run ever remembered to be made by any vessel from Quebec to any part of Europe.

The Speedwell, from this port to London put into Padstow on Wednesday, with her sails split, bowsprit gone and much damaged in her upper works.
