HOUSE OF INDUSTRY
 AND HOSPITAL FOR LUNATICS

THE numerous and pressing appeals made to
 for the last two years, in behalf of the differ-
 ties, renders it a difficult task to obtrude upon the
 following report of the state of the House of Ind-
 nothing short of the necessity this charity is now
 could induce the Committee to present a picture w
 appear peculiarly distressing, to every feeling m
 interested in the amelioration of the condition of t
 For many years the ordinary funds were found qui
 to the support of this extensive establishment, an
 of pressing emergencies when its means were exte
 course was had to Charity Sermons through the
 recruit them; but since Providence has visited u
 awful dispensation experienced in this City those
 past, it was deemed expedient to resort to every
 means to provide for those whom it pleased God
 with this virulent scourge. Disease and wretche
 widely diffused and assuming such an epidemic
 quired the most active and energetic efforts to cre
 suited to the treatment of the numerous poor art
 check its more extensive spread, which as far as
 ertions could effect, has been attended with the mo
 and beneficial results. The public bounty being
 ly solicited to avert the consequences of a growin
 the funds of other Charities were suffered to ex
 decline from a delicacy on the part of their m
 harness the charitable feelings of that public w
 deeply involved in the more important cause in
 had embarked. The House of Industry and H
 Lunatics whose Income was partly derived from r
 Sources which of late flowed into other Channels
 sensibly felt its growing loss and would become ir
 were it not for the uncommon liberality of the Co
 Jury in their presentments for those two years:
 ture however has greatly increased in consequ
 unexampled dearness of provisions, added to the
 of wretched objects who were admitted into it, ma
 having been cured in the Fever Hospitals, would
 ed in the streets and lanes of this City, for wan
 cessaries of life, but for this asylum the numer
 orphans which the Fever had deprived of their Pa
 have also perished if this resort was not open to
 tion. In the course of this year the fever had m
 alarming appearance in the House which require
 ed expenditure to provide for its exclusive acc
 and treatment, and the appropriation of two ye
