

at Lemonfield, on Monday, when he received a blow of a spade in the head caused a concussion of the brain. The man has been committed to jail by Alderman and the wounded man is under the care of a Franklin, who has some hopes of his recovery.

of traffic has now become established in by young and old vagrants, which, from want of finding purchasers, has grown into a great evil, namely, that of gathering in the streets stealing ropes from ships. It becomes necessary on the purchasers of these articles to be vigilant, in properly investigating or appraising articles, when any article of this description of value, should be offered for sale—otherwise they become participators in the theft. Last week a vessel lying at Arthur's-quay, had her hardware stolen, by which she drifted to the strand, and suffered some damage.

Yesterday last, three bags of Potatoes, pilfered from the country people by the light fingered gentlemen at our quays and markets by the name of 'peas', were seized by Alderman Marrett, and the potatoes to the Widows Alms-house, and the bags to the House of Industry.

A paper on Savings Banks shall appear in our next issue. Persons were received into the Fever Hospital in Waterford last week.
