hour, returned a verdict of £50 damages, and 6d.
costs, for Mr. Stopford.

Four persons of the name of M'Carthy were ac-
quitted for want of evidence, on a charge of Mur-
der near Dunmanway. And an extraordinary case
of Abduction, which occupied the Court for some
time, ended in the acquittal of the parties accused.
The prosecutrix, who it appeared from the evi-
dence of the Rev. R. Lee, curate of St. Anne's
Shandon, was married by him on the 16th of
March last, stated the circumstances of her having
been carried off from the neighbourhood of Malloy,
in that county, and asserted that she had not the
most distant recollection of the alleged marriage.
The Jury, without leaving their Box, returned
a verdict of acquittal.

Friday, the Roman Catholics of Fermoy met—
Thos. Dennehy, Esq. in the Chair, when an Ad-
dress to the Legislature was proposed and adopted,
and also thanks returned to the Lord Mayor of
Dublin, for presiding at the Rotunda Meeting.

A great number of Forgeries of the Bank of Sir
Walter Roberts & Co. admirably executed, were
discovered in circulation in Cork, on Thursday,
and taken by several respectable shop keepers
without exciting the least suspicion. It is fortunate
however, that by a little caution they can be easily
detected, being printed on paper in which the
Water mark of Cotter and Killeit is distinctly
visible.

The Chelsea Pensioners are now paying in Lon-
don.

This day the Church of Kilquane, lately erected
on an eligible site near the Salmon weir, was
consecrated by the Lord Bishop of Limerick.—The
Rev. Michael Keating is appointed curate to the
parish.

Yesterday being Good Friday was observed in
this City, with every becoming solemnity, agree-
ably to a notification from the Right Worshipful
Joseph Gabbett, Esq. the shops and offices were
closed nearly the entire day.

To-morrow being Easter Sunday, there will be
a grand and appropriate anthem sung by the choir
of the Cathedral at evening service, taken from
the Messiah—"I know that my Redeemer liveth."
The choir is now very full and complete, and from
the well-known powers of Mr. Osborne on the
organ, it is anticipated that the lovers of sacred
music will experience a real display of all that is
calculated to excite admiration and delight. The
evening service every Sunday at three o'clock, is
performed in the same manner as at St. Patrick's
Cathedral, in Dublin.

In consequence of the lamented death of Sheriff
Taverner, the Mayor and Corporation will not
attend service at the Cathedral, in regalia, accord-
ing to the ancient custom, to-morrow, being
Easter day.

City Sessions—In addition to the convictions
stated in our last, the following were sentenced on
Wednesday—Mary Meade, for robbing Mr. Mo-
lony, to be imprisoned 2 months—Michael Toole,
for stealing sheets to be privately whipped, which
was on Thursday executed in the jail.
