BIRTH—On Wednesday, at his seat, Elm-Hill, in this County, the Lady of Ion Studdert, Esq. of a son and heir—At Garryhurlon, in the County Carlow, the Lady of Sir Thomas Butler, Bart. of a son—In Stephen's-Green, Dublin, the Lady of J. B. West, Esq. of a daughter—At Kilbryde Castle, Lady Campbell, of a son—In London, the Hon. Mrs. Donovan, of a daughter—At Waterstock, the Lady of W. H. Ashurst, Esq. M. P. of a son—At Sea, the Lady of James Norton, Esq. East India Naval Service, of a daughter—In Fitzwilliam square, Dublin, the Lady of the Rev. Richard Cooke, of a son—At Allipori, near Calcutta, the Lady of William Hickey, Esq. of a son—At Rockville, East Lothian, the Lady of Sir Thomas Troubridge, Bart. of a daughter—At Ukers Lodge, Cork, every thing for us that we can possibly expect.

But Mr. Baillie, the man who conducted us on, has grossly deceived us, in London, respecting the lace; and he has now got 4,000 acres of land for bringing us to this cursed place, where he has left us altogether to sit for ourselves. We were nearly five months on ship-board, during which time many quarrels took place, and the people on ship's crew robbed the trunks and boxes: my box was opened and robbed of many things. Our leader never troubled himself about it, or any thing; and the result was that many respectable families left us the moment we landed. On the 17th March, when we got into Table bay, none of us was suffered to land, except our leader, Mr. Baillie, who gave us all an infamous character; and we were immediately ordered away to Algoa bay, and there landed, and sent 150 miles in waggons to the banks of the Great Fish River, where, after measuring one acre of land for each person to build his house on, they shut us down like dogs in a cage. The horror I there felt I cannot describe—I felt for thirty years without leaving; and for what? a few acres of stony soil.

Barley and Bere in fair supply and steady; Flour continues very dull; Oats have declined fully 1s per barrel since our last, and a reduction to the same extent, and, in some instances, of 2s. per barrel, may be noticed in the price of Wheat. The general rates were—New Red Wheat, 22s. to 28s.; Old ditto, 25s. to 27s.; New White, 26s to 28s; Oats, new, 10s to 14s 6d; Old, 14s. to 16d. per barrel; Barley, 13s; Bere, 11s 6d. to 12s 6d; Rape-seed, 34s to 36s; Oatmeal, 12s to 15s; Flour, 18s. to 20s. r prime Seconds.

Wheat but a short supply of Wheat this morning from Essex, Kent, and Suffolk, and the greater part being new, and ordinary-quality, was dull of sale, at a reduction of full 1 per quarter; but prime and picked samples of old obtained last Monday's prices. The arrivals of Oats during the week being immense, the trade was very heavy at a decline full 2s. per quarter. In Barley, Peas, and Beans, there little or no alteration.

Ports of Great Britain continue closed against the admission of all kinds of Foreign Grain, Pulse, and Flour. From the British Colonies, Oats and Pease only are now admissible for home consumption.

AT a most numerous and respectable Meeting of the Inhabitants of the City and Liberties of Limerick, held on the 11th September, at the Commercial Buildings—COLONEL BOURKE, C. B. IN THE CHAIR.

The following Resolutions, proposed by Counsellor Howly, and seconded by Thomas Roche, Esq. were unanimously adopted:—

Resolved—That we are determined to persevere in opposing that system of usurpation which has for years suspended the municipal constitution of our ancient City, violating the Charters, spoiling the public records, and converting into a source of private patrimony, the revenues which had been granted for purposes of public utility and advantage.

That having already submitted a part of the grievances we suffered, to Parliament, which was pleased to take them into consideration and grant us redress, we deem it expedient to renew our application to that high tribunal, setting out in detail the various branches of abuse and mal-administration which have overgrown the local Constitution of Limerick, and praying for such relief as its wisdom may think proper to afford.

[The Petition was then read by Counsellor Howly.] Resolved—That the Petition which has been read be adopted, and that our highly valued Representative, Thomas Spring Rice, Esq. be requested to present it to the House of Commons.

That our warmest thanks are eminently due and hereby given to Thomas Spring Rice, Esq. our Representative in Parliament, for the high talents, the singular zeal, and complete success with which he conducted the Petition against the return of the Corporation Member, whereby the rights of the resident freeholders have been permanently established, and the constitutional influence of the freeholder has been fully asserted.

RICHARD BOURKE, Chairman. Colonel Bourke having left the Chair, and William Roche, Esq. being called thereto,

Resolved—That the particular thanks of this meeting are eminently due and hereby given to Colonel Bourke, for his very dignified conduct in the Chair this day, and for the zeal and exertions with which he has upon all occasions supported the cause of the Independence of Limerick.

WILLIAM ROCHE, Chairman. Limerick, Sept. 11.
