 FROM FIRE,  
 AND ALSO FOR THE  
 ASSURANCE OF LIVES.

BY the yearly payment of a moderate sum out of a  
 Life Income, persons may secure to their wives,  
 their children, their indigent relations, or any individuals  
 whom they may be desirous to aid, an adequate provision  
 against the distress which might be produced by death and  
 the consequent cessation of income contingent on life. Clergy,  
 men, Revenue Officers, Pensioners, Barrack Masters, Officers,  
 Widows, and all Persons enjoying Places for Life, or pos-  
 sessing Life Estates, are by Life Assurance, enabled to se-  
 cure comfort and respectability for their Families.  
 Lives Insured for £10,000 to the age of 67 years; and  
 Policies effected by special agreement on persons aged  
 75 years.

The Medical Certificates, with the many troublesome and  
 expensive documents and reference required at all the other  
 Offices, are dispensed with in this: The Public are afforded  
 in this Office every facility for effecting Life Assurance;—  
 and thus preserving fortunes, and providing for families.  
 All kinds of Manufactories, Buildings, and troops of  
 every description, Farm-houses and Haggarts, Insured at a  
 moment's notice.

So large a sum as £3,000 can be covered on Mill risks.  
 Policies can be issued the instant they are ordered.  
 The Persons Insured at this Office do not depend upon  
 an uncertain fund or contribution, nor are they, or their  
 Properties, subject to covenants, or liable by Acts of Par-  
 liament, to make good the Losses which may happen—the  
 real Capital Stock of the Corporation being an unquestion-  
 able Security to the Assured: The experience of a Century  
 confirms the stability, and shews the unerring wisdom and  
 superiority of this Ancient Establishment.
