ons of his Paper.

of war the more agreeable duties of the Press
be storms that agitate the world, but its more ster-
ars are known and valued in promoting the blessings
; to these will the *Evening Post* be zealously de-
beal the grounds of its distracted Country—to en-
the five ages, and to point out means of employment
cessive population. To lead and direct their powers
rength and ability to the Empire should be the
f every friend to the British Constitution, and the
t holds these in view legitimately aspires to the
e of an enlightened people.

Individuals to whom he had ascribed the suspen-
as labours for the last year the Proprietor of *The*
Evening Post renders his forgetfulness of the past ;
the moment of neglect he has seen a contrary
himself he now most sincerely solicits theirs. To
and identify his future views with the sound and
ing of his fellow-citizens is the association he
s, and upheld by them he proffers for himself in
at comparing small things with great—

Acta terrarum subacta, propter atrocem animum

Limerick, November 30, 1822.
